WELCOME MESSAGE

Dear Friends,

A warm welcome to the FOGSI PPH Conclave 2026!

This conclave is dedicated to one of the most critical areas in maternal health, **Postpartum Hemorrhage (PPH)**. As we all know, PPH remains a leading cause of maternal mortality, and through this platform, we aim to share knowledge, strengthen clinical practices, and work collectively towards safer motherhood.

We are delighted to host you in **Salem**, the Mango and Steel City of Tamil Nadu, a place known for its culture, warmth, and hospitality. Over the course of the conference, let us learn, engage, and inspire each other to make a real difference in women's lives.

Together, let's commit to reducing PPH and ensuring that every mother experiences childbirth safely.

Looking forward to hosting you all at **Salem!**
